

CT CLOUD VOICE SMS TEXTING

SMS Messaging Service & Solutions

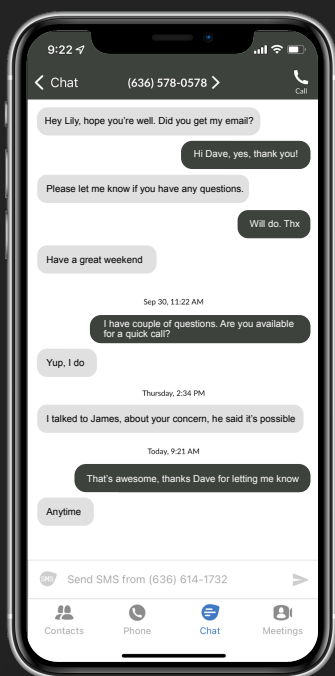

**Send and receive unlimited numbers of SMS
messages across the globe in microseconds.**

Simply. Send. Anywhere

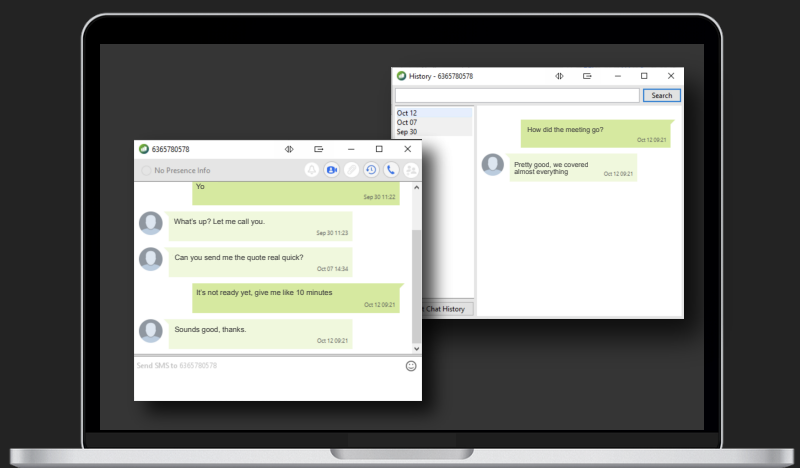

Forget about complex carrier rules, network logic, and local regulations. Reach customers around the globe – simply, swiftly and securely.

CT Cloud Voice SMS is simply one-to-one texting between a CT Cloud Communicator user and mobile numbers. Each SMS sender / recipient shows up as another chat conversation.
